DOKA Earns SWIFTReady Application Label for 11th Year - 23 Aug 11

Surecomp's DOKA 5, a scalable back-office system for documentary trade finance, has been awarded SWIFTReady Application label status for an 11th consecutive year.

SWIFT developed the SWIFTReady label programme to verify the compliance of financial applications against SWIFT messaging services, standards and connectivity. SWIFTReady label status is re-evaluated every year to ensure alignment with market needs.

[2011 Global Corporate Treasury Awards - Shortlist](#) - 23 Aug 2011

At a time when treasury departments are doing much more with a lot less, best practice in treasury needs to be highlighted and celebrated. The *gtnews* Global Corporate Treasury Awards, now in their second year, are dedicated to recognising and rewarding the very best in corporate treasury, celebrating the great and the good of the industry.

Survey Results

[Heading Towards Centralised Control and Integration](#) - 22 Aug 2011

Overall, integration and centralisation were the dominant themes to come out of the *gtnews* 2011 Cash Management and Trade Finance Survey. Treasurers are increasingly looking to other areas of the business to make improvements in working capital and more treasurers are likely to take ownership of trade finance, financial risk management and working capital management in future.
