rebranded as SWIFT Certified Applications. This strengthening of the unique and highly valued accreditation is in line with SWIFT's aim of certifying selected third-party applications to ensure that they meet well-defined requirements around SWIFT standards, messaging and connectivity.

"SWIFT standards are recognized globally as the benchmark against which solutions are measured. To receive this distinguished accreditation for a 15th consecutive year is a remarkable milestone that speaks volumes to the professionalism, dedication and in-depth knowledge of the global Surecomp team," said Joel Koschitzky, Surecomp Chairman. "I thank IMEX clients around the world for their continued trust, support and partnership with Surecomp. We will strive to ensure that IMEX and all Surecomp products continue to offer the best return on investment possible coupled with low total cost of ownership."
