To: whomever it may concern

We hereby to confirm that KPMG Certified Public Accountants (“KPMG”) is conducting a SOC 2 Type II attestation engagement for Surecomp, examining RIVO product (as will be defined in the SOC 2 reports) and the design, suitability, and effectiveness of implemented controls.

KPMG provides Surecomp with documentation, which will describe the findings found by KPMG, and this report will be available to Surecomp.

This letter serves to provide assurance that examination is in progress and will be completed in the nearest future.

This letter is not intended to provide a certification of the internal controls of Surecomp or suggest that KPMG has performed any structured evaluation of Surecomp's internal controls for producing this letter. By providing this letter, we do not undertake to provide you with any updates, changes, or any assurance in the internal controls of Surecomp's.

Best regard,
